

With a donation of €100,000, the following items and initiatives could be funded to provide food for Ukrainian soldiers:

1. Military-Grade Rations

- Purchase and distribute packaged military rations that provide essential nutrients and are easy to transport and store, ensuring soldiers have sufficient food for extended periods.
- Estimated cost: €40,000

2. Fresh Produce & Nutritional Supplies

- Supply fresh fruits, vegetables, and other perishable goods to ensure soldiers have access to essential vitamins and minerals for a balanced diet.
- Estimated cost: €15,000

3. Field Kitchens and Cooking Equipment

- Fund the establishment of mobile kitchens and cooking equipment, including portable stoves, pots, and food storage containers, to provide freshly cooked meals in field conditions.
- Estimated cost: €12,000

4. Water and Hydration Supplies

- Purchase and distribute bottled water, hydration packs, and water filtration systems to ensure soldiers remain hydrated during operations.
- Estimated cost: €8,000

5. Hot Meal Delivery Service

- Establish a hot meal delivery service to remote or hard-to-reach military units, ensuring soldiers receive warm, ready-to-eat meals.
- Estimated cost: €10,000

6. Catering for Troop Resupply Stations

- Fund the setup of field food stations that can resupply troops with fresh meals and snacks, including sandwiches, energy bars, and hot drinks.
- Estimated cost: €6,000

7. Logistics and Transportation Costs

- Cover the cost of transporting food and supplies to military units stationed in remote or frontline areas, ensuring timely and efficient distribution.
- Estimated cost: €5,000

8. Emergency Food Reserves

- Build an emergency reserve of non-perishable food items to ensure soldiers have access to essential food in case of supply disruptions or emergencies.
- Estimated cost: €4,000

9. Monitoring and Coordination

- Fund efforts to monitor the distribution and impact of food supplies, ensuring that they are reaching the intended recipients and meeting the nutritional needs of soldiers.
- Estimated cost: €2,000

This budget will directly contribute to ensuring that Ukrainian soldiers remain nourished, healthy, and ready to carry out their duties in challenging conditions. Every donation will help sustain their strength and morale during this difficult time.
